# Press Play! Injecting Play into Library Programs for Kids

Dana Horrocks Lindsey Krabbenhoft

## Playing at the Library

### The Case

- Children learn through play
- Connecting back to the collection
- Play demands participation

## **Session Outline**

- Obstacle Courses
  - Parachute Play
    - Box Parties
- Family Fort Nights
  - Digital Play

Questions

Resources

## **Session Objectives**

- New and ready-to-implement play-based program ideas
- Strategies for connecting with families
- An understanding of resources available to children's library staff
- Refreshed knowledge of early literacy practices

# Physical Literacy

Infants	Toddlers and Up
Tummy time	Climbing
<ul> <li>Reaching &amp; grasping</li> </ul>	Exploring outside
<ul> <li>Rolling on the floor</li> </ul>	Running, Dancing, Jumping
• Crawling	Sports Activities

- Large, open space
- Stations with different activities
- Great program for the winter
- Capitalize on existing supplies

erinisinire: https://erinisinire.wordpress.com/2015/03/27/pool-noodles-and-mats-and-duct-tape-and-bean-bags/

# **Incorporating Print Awareness**

- Signs with instructions
- Signs with directions
- Visual cues for kids and ESL families

In Short, I'm Busy
