Cabling Standards for SCLS

- Libraries must use a standard cabling type to insure operability with common SCLS network equipment.
- A minimum of Category 5e (CAT5e) or Category 6 (CAT6) is preferred.
- Data cables must terminate at each end in a female data jack, pinned straight through according to the AT&T (568B) standard pinning scheme.
- Jacks must be mounted in wall plates, floor plates, or patch panels.
- Each network jack must have a unique ID and the patch panel terminus must have the corresponding jack ID.

Ingredients for one pie:
Enough pie dough for a 9 1/2 inch glass pie dish (get recipe here)
*Pie shell should be pre-baked as shown.
2 cups pecan halves
1/2 cup butter (4 oz)
1 cup light brown sugar
1/2 cup white sugar
1/2 cup light corn syrup
1/2 tsp fine salt
1 tsp vanilla
1 tbsp bourbon
2 tbsp milk
3 tbsp flour
3 large eggs
*Bake at 350 F. for about 45 minutes, or until browned and set.
